## Drawing Acanthus SUPPLY LIST

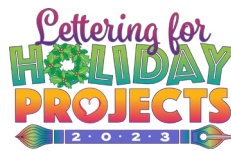

- 4B Pencil – a softer pencil will yield the thin/thick shading lines necessary for drawing the leaves
- Straight 6” Ruler
- Plastic and Kneaded erasers

### Paper Options

- Marker Layout paper translucent enough to see Grid through
- Any grid paper (Paul is using 6mm grid)
- Any horizontally ruled paper, i.e. notebook paper  
Note: Do NOT use dot paper – it causes issues in the design process

### Tools for Inking in Final Design

- Fine tipped pointed brush pen
- Pointed pens
